

Ground Breaking Sunday: A New Way of Thinking

Today is Ground Breaking Sunday in more ways than one:

Breaking ground on a new building...

Breaking ground on a new way of thinking...

Main point: Every challenge you face is an opportunity to grow.

Deuteronomy 1:19-36 The people of Israel didn't like it when God answered their prayers...

- They listened to gossip
- They rebelled against God
- They doubted God's love for them

Result: They didn't possess the promises God had for them.

If you are going to possess all God has for you...you must see every challenge as an opportunity to grow:

- Grow in your prophetic awareness

- Grow in your submission to God

- Grow in your faith in God's love

Main Point: Every challenge you face is an opportunity to grow.
