

It Takes Two: Marriage is Friendship

Main Point: Marriage is a friendship that pushes you to be better.
“Friendship is deep oneness that comes through a mutual journey to the same horizon.” - Timothy Keller

Ephesians 5:25-27 (NIV) *Husbands, love your wives, just as Christ loved the church and gave himself up for her to make her holy, cleansing her by the washing with water through the word, and to present her to himself as a radiant church, without stain or wrinkle or any other blemish, but holy and blameless.*

Friends are:

1. Consistent
2. Honest
3. Vulnerable
4. Transformational
