

## **Week 1 | One Day**

The promise found in the Book of Revelation that one day there will be no more pain, no more suffering, no more tears, and no more death is our great hope. Although we look forward to that day, we realize it hasn't arrived yet. Jesus said that in this life we will always have the poor with us. He taught his disciples to minister and give to those in need. We have over 16,000 people in Ellis County that live in poverty. The need is all around us. Christ has called us to make an impact in the world around us.

### **Going Deeper**

1. What are some of the needs that you have witnessed around you? (i.e. kids in need, poverty, aids, etc.)
2. Is there a time when you served or gave and you saw the impact that it had on other people or in your own life?
3. Read James 1:27. How does what James tells us to do translate into our modern day lives?
4. Read Micah 6:8. What do you think the Bible means when it says to "do justice?" Is there something God has been challenging you to do as it pertains to justice?
5. What One Day To Serve site can you, as an individual or a small group, sign up for to make an impact in others lives?

### **Acting Normal**

God's Word is filled with line after line and page after page of commands for us as His people to take care of those in need. God's heart is focused on the broken and those marginalized in society. We are called to be the hands and feet of Christ in the world. Continue to listen to the leading of the Holy Spirit as He speaks to your heart about how to "do justice."
